

HON. SECRETARY'S REPORT FOR 1993

As many of you may know, our long-serving Honorary Secretary, Peter Cole, intended to retire at the end of 1993 and this should have been his last Secretary's Report. Sadly Peter died, suddenly, less than two months after standing down at the Annual General Meeting and becoming one of our Vice Presidents. He will be greatly missed by all who knew him.

Peter had not prepared the Secretary's report when he died and it has not been possible to produce one in time to be incorporated in this volume. The detailed Secretary's report for 1993, together with an obituary, will appear in the next Annual Report.
