

Radde's warbler *Phylloscopus schwarzi*: this Siberian species was recorded on Lundy for the first time in 1996.
(Photo A. M. Taylor)

The fiftieth anniversary of the Lundy Field Society was celebrated in 1996, and in June a committee meeting was held on the island. This photograph records the event.

Back row, L-R: Tony Parsons, David Molyneux, Liza Cole, John Schofield, Steve Wing.

Front row, L-R: Ken Radley, Jennifer George, Chris Webster.
