

## DONATIONS FOR 1999

The committee of the LFS would like to thank the following for generous donations to the society:

Barbara Cole, who has placed a collection of books on the LFS book shelves on Lundy in memory of Peter Cole, secretary of the society, 1981-1993.

John D'Oyley Wright for his collection of Lundy Illustrated News and other items given to Myrtle Ternstrom, which were auctioned at the AGM, and which raised £243.50.

Maggie Shaw who donated £50 to funds in appreciation of the rescue of her belongings by an intrepid member.

Yorkshire Electricity who made a grant of £250 to the LFS through their Ambassador Scheme. The grants are made to employees who give of their free time to support registered charities, and in this case our treasurer, David Molyneux, was a successful applicant.
