

## MEMBERSHIP SECRETARY'S REPORT FOR 2000 & 2001

After several years without a Membership Secretary I took over the role informally following the 2000 AGM. It was clear that the membership records needed a serious overhaul, particularly in the case of members who hadn't paid for some time but were still receiving our mailings. So as not to make the weeding-out' too draconian, it was decided to phase it over three years. In 2000, people who were three years in arrears received letters. In 2001, letters were sent to those who were two years behind. In 2002 and all subsequent years, letters will be sent to members who are one year in arrears. Although this process reduces our total membership, it allows the Society's resources to be focused and also prevents us from troubling those who no longer want mailings.

Below are the new members for each year, and the number of members in the Society at the end of each year. (Please don't try to reconcile the numbers, as there were other members that left, or changed their membership status in that time.)

It would make the administration of the society much easier if members who still pay by cheque would change their payment method to a Standing Order. This can be done by filling in a Standing Order Request Form and sending it to your own bank. A form should be included with this Annual Report.

There is also a list of 'lost members', for whom we don't appear to have a valid current address. These members still pay (or have paid life membership) but we are no longer posting to them, as previous mailings have been returned by the Post Office. If you have any information, please give me a ring (029 20 229167).
