Barnfield, Tower Hill Road, Crewkerne, Somerset, TA18 8BJ

- Common blue damselfly *Enallagma cyathigerum* (Charp.) 14.08.03(1).
Southern hawker *Aeshna cyanea* (Müll.) 12.08.03 - 26.09.03 (2).
Migrant hawker *Aeshna mixta* Latr. 14.08.03 - 24.09.03 (2).
Common darter *Sympetrum striolatum* (Charp.) 14.08.03 - 27.09.03.
Common earwig *Forficula auricularia* (L.) 18.11.03(common).
Green tiger beetle *Cicindela campestris* L. 19.05.03 - 25.05.03 (common).
a ground beetle *Chlaenius nigricornis* (Fab.) 27.05.03 (1) – an unusual variety with bright red legs, at Quarter Wall Bay : R.S.Key.
a ground beetle *Amara aenea* (De Geer) 28.05.03 (1).
a ground beetle *Amara tibialis* (Payk.) 28.05.03 (1).
a burying beetle *Nicrophorus investigator* Zett. 01.09.03 (1).
Minotaur beetle *Typhaeus typhoeus* (L.) 06.03.03 - 25.05.03 (common).
a dor beetle *Anoplotrupes stercorosus* (Hart.) 25.05.03 (common).
a dor beetle *Geotrupes stercorarius* (L.) 29.04.03 - 25.05.03 (1).
a dung beetle *Aphodius ater* (De Geer) 28.05.03 (common on sheep dung).
Rosechafer *Cetonia aurata* (L.) 25.05.03 - 26.06.03 (common).
a click beetle *Melanotus villosus* (Geoff.) 25.05.03 (common).
a darkling beetle *Isomira murina* (L.) 25.05.03 (1, Millcombe).
a leaf beetle *Apteropeda orbicularis* (Marsh.) 25.05.03 (1, Quarry Bay).
a leaf beetle *Psylliodes luridipennis* Kuts. 25.05.03 (several).
a leaf beetle *Psylliodes napi* (Fab.) 25.05.03 (several).
a weevil *Ceutorhynchus contractus* var. *pallipes* (Crotch) 25.05.03 (Quarry Bay)
a small parasitic wasp *Trichomalopsis fucicola* (Walk.) [family Pteromalidae]
29.05.03 - two males on strand-line seaweed on the Landing Beach
(S.G.Compton, R.J.D. & R.S.Key). probably a parasitoid of one or more species of two-winged flies frequenting seaweed; usually found from June to September, this is the first record for Lundy of this generally flightless chalcidoid.
Common wasp *Vespula vulgaris* 15.07.03 (1).
Buff-tailed bumblebee *Bombus terrestris* (L.) 29.04.03 (1).
Common carder bee *Bombus pascuorum* Scop. 29.04.03 (2).

a spider *Dysdera crocata* 01.05.03 (1) by pool in walled garden; this is a slow-moving hunting spider which lives on woodlice and which was first recorded from Lundy in 1927.

The 'species' reports are extracted from the Log Book. They have not been subjected to validation by a recognised body.
